EPG Companies Inc. specializes in the manufacture of **landfill leachate pumps & controls, sump drainers, remediation equipment, telemetry hardware and SCADA systems** and other environmental and industrial products.

Dear Mike,

Not only is EPG the industry leader when it comes to Pumps & Controls for landfill and environmental applications, we offer solutions to handle Remediation, LFG (Landfill Gas) and Biogas processes. Our focus in this edition of the EPG Connection newsletter centers on Biogas Flares.

If you're in the market for this type of equipment, contact EPG and let us know how we can help.

Give us a call at **1-800-443-7426** or email us at info1@epgco.com.

EPG will be attending several events this year. See the [schedule](#) below. We will update the schedule each month.

As always, EPG welcomes your feedback. If you have any comments or questions, feel free to contact us at info1@epgco.com.

Sincerely,
EPG Companies Inc.
