In this edition of the **EPG Connection** newsletter:

**EPG Companies Inc. will be exhibiting at WASTECON 2018
in Nashville, TN | August 20-23, 2018.**

Thanks for reading and have a great day!

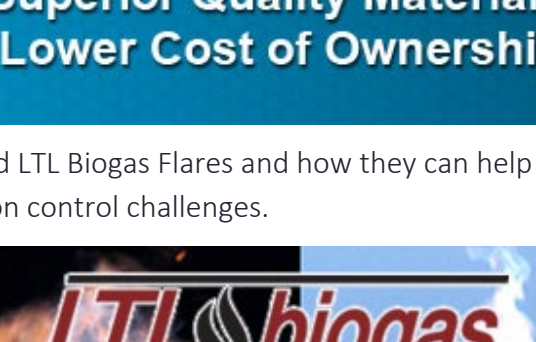

**If you would like to schedule a meeting with EPG staff while
attending WASTECON give us a call at 800-443-7426!**

EPG Applications Specialists will be on-hand to listen, offer guidance, and answer questions about your current and upcoming applications & installations as well as provide insight regarding our leachate pumps & controls. You can find EPG Companies Inc. at booth #323.

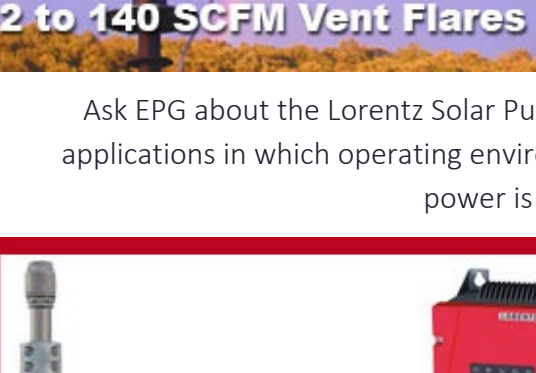

Viridian America will be exhibiting with EPG and sharing info about the reliable line-up of VP Series Pneumatic Pumps. Stop by, say hello, and find out what makes a Viridian America pump a better choice and value! (booth #325)

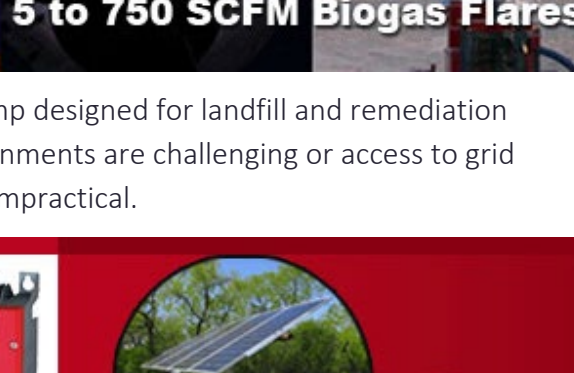

Innovative Design and Superior Quality Materials Lead to Lower Cost of Ownership

Learn about Solar Spark® Vent Flares and LTL Biogas Flares and how they can help solve odor and emission control challenges.

2 to 140 SCFM Vent Flares

5 to 750 SCFM Biogas Flares

Ask EPG about the Lorentz Solar Pump designed for landfill and remediation applications in which operating environments are challenging or access to grid power is impractical.

Solar Pumps that handle viscous leachate

LORENTZ

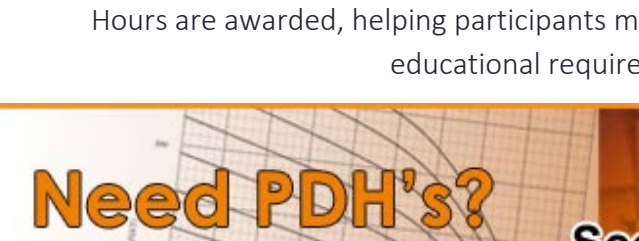

Stop by booth #323 to learn more

Ask EPG about plant-based & evaporation approaches to leachate disposal.

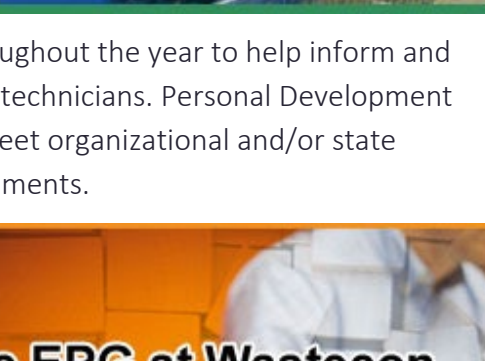

Save up to 50% on leachate disposal cost!

Manage costs by managing leachate.

Find out how @ booth #323

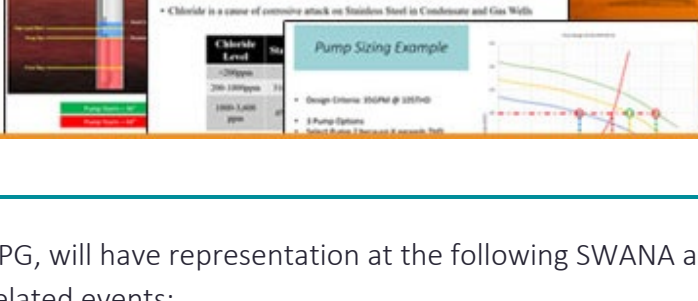

Phyto-Utilization™

WAIV™

EPG offers several learning opportunities throughout the year to help inform and educate engineers, landfill managers, and field technicians. Personal Development Hours are awarded, helping participants meet organizational and/or state educational requirements.

Need PDH's?

Chloride Level (ppm)	304 Stainless Steel	316 Stainless Steel
2000 - 10000	Severe	Moderate
10000 - 20000	Severe	Severe

Chloride is a cause of corrosive attack on Stainless Steel in Condensate and Gas Wells.

Pump Sizing Example

Design Example: 1000 GPD @ 100 PSI

3 Pump Options

See EPG at Wastecon booth #323 to learn more!

EPG, will have representation at the following SWANA and industry related events:

- Aug **WASTECON 2018**
20-23 Baltimore, MD (EPG and Viridian America Exhibiting)
- Sept **New Mexico Solid Waste & Recycling Conf.**
25-27 Albuquerque, NM (The Reich Co. Exhibiting)
- Oct **Kansas SWANA Solid Waste Mgmt Conf.**
2-4 Mulvane, KS (The Reich Co. Exhibiting)
- Oct **Tennessee TCAPWA SWANA Annual Conf.**
21-23 Nashville, TN (The Reich Co. Exhibiting)

EPG Companies Inc. specializes in the design and manufacture of landfill leachate pumps & controls, sump drainers, pneumatic pumps, remediation equipment, flares for odor & gas control, telemetry hardware and SCADA systems, and other environmental and industrial products.

As always, EPG welcomes your feedback. If you have any comments or questions, feel free to contact us at info@epgco.com.
