2012 Pumps & Controls Service School

March 12 - 14, 2012

(Please note: This class is required prior to attending our Advanced Service School)

Overview:

Continual education is invaluable in today's industrial economy! That correlates precisely to proper equipment decisions, reduced operating and maintenance costs, lower budgets and peak performance!

EPG Companies Inc. provides just that! We offer a "hands-on" educational experience* designed to develop your knowledge, expertise and troubleshooting ability as you serve in your industry.

*Includes classroom discussion, presentations, and hands-on training. Receive up to 10 continuing educational units through SWANA (Solid Waste Assoc. of North America)

Attendees:

- Design Engineers
- Landfill Operators/Managers
- Installation Contractors
- Site Maintenance Personnel
- Owner/Operators

EPG classes are applicable for all who are involved with the design, maintenance and/or installation of Liquid or Gas Handling Systems and/or Remediation Systems.

Topics to be Covered:

- Using Test Meters
- Motor & Electric Basic
- Pump Basics
- Controller Basics

Registration:

Enrollment is limited to 24 . Do Not Delay!

Registration and payment due February 1, 2012.

Hotel Reservations:

Reservation is attendee's responsibility. Plan to make your hotel reservations within 30 days prior, by calling the Holiday Inn & Suites - Maple Grove, Minnesota at 763-425-3800.

Transportation:

Attendee is responsible for transportation to and from airport as well as to and from the hotel and EPG. Class begins 9:30am Monday. Plan your arrival accordingly.

Fees:

\$700.00 if paid by Jan 1. \$750 if paid by Feb 1.

Includes classroom training, 5 meals provided by EPG, 2 nights lodging with breakfast, test equipment, instruction manual and SWANA certificate.

**Incidental expenses not included, i.e. additional days, telephone calls, room service, movies, etc. Make checks payable to EPG Companies Inc.*
