

# The EPG Connection

Your Resource for Landfill, Environmental, and Industrial Solutions!

April 2019

Issue No. 105

## In This Issue:

### EPG Service School Recap!

### EPG Partners Exhibiting at Upcoming SWANA Events!

## 2019 Service School Recap

We'd like to give a shout out to everyone who attended EPG's 2019 Service School. Landfill gas technicians, operators, managers, and service providers representing 9 states and Canada joined us.

We hope your week was enjoyable and you found the information and experience beneficial to your growth as an industry professional.

To those we unfortunately could not accommodate this year, we hope to see you in 2020. Stay tuned for dates to be announced this fall.

## EPG Quick Poll

Which pump type do you plan to purchase or install in the next 12 months? (select one)

Electric

Select

Pneumatic

Select

Both

Select

Other

Select

None

Select

Poll results allow us to understand customer and industry needs. Thanks for the help!

## More About Our Partners Representing EPG

**REICH CO.**  
ENVIRONMENTAL & PROCESS EQUIPMENT

Reich Company, Inc. was founded in 1975 as a manufacturers representative for environmental treatment equipment. Reich Company works with only the top performing manufacturers who employ the latest technologies available in the market place.

We understand the issues related to our clients, and work with them to properly identify their needs and apply quality equipment and processes to meet and exceed requirements.

We can work with you to service a project from the early phase process selection through start-up with both engineering consultants and end-users.
