

The EPG Connection

Your Resource for Landfill, Environmental, and Industrial Solutions!

April 2020

Issue No. 117

- **EPG's Design & Manufacturing Production** is currently operating at normal levels. Our client and customer needs are being met as we effectively adjust our internal processes and procedures to encourage improved safety for our staff and customers.
- **We Clean, Repair, and Upgrade** other manufacturers pumps & controls at competitive rates and quick turnaround. Try us out!
- **Updated Event Schedule** (Postponements and Cancellations)

*****Reminder - Sanitize those control panel surfaces such as handles, knobs, and buttons before and after use! Be Well and Stay Safe!*****

Production Capacity

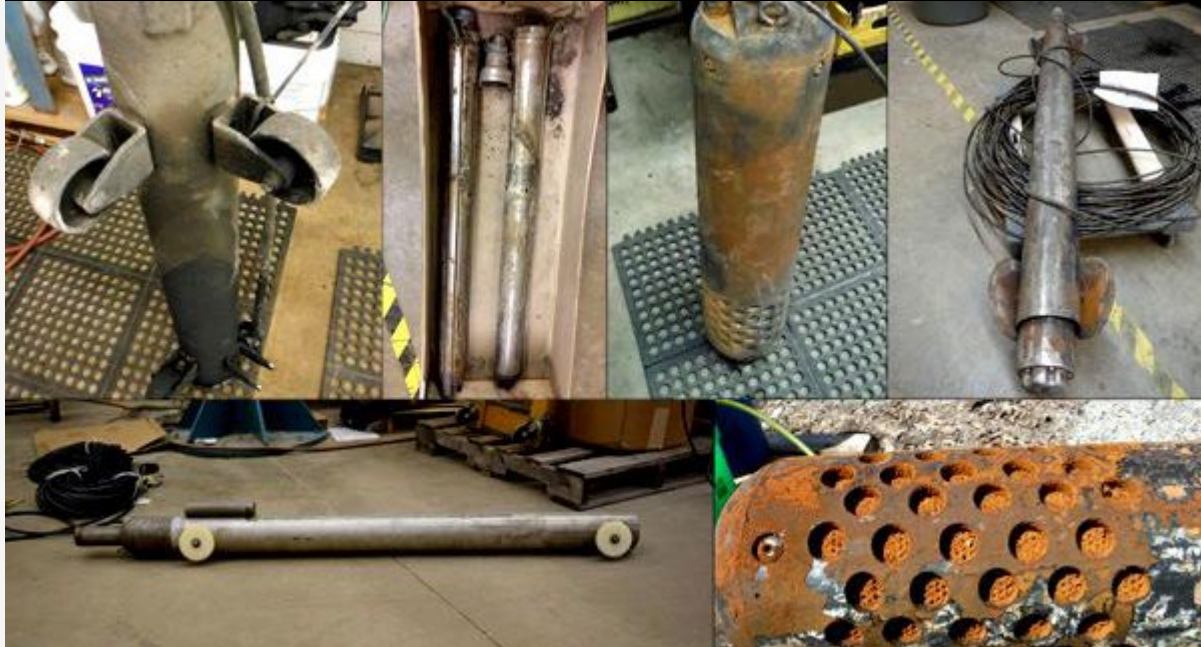

Through these trying times, EPG continues to manufacture & offer support as our customers design, expand and continue to operate their facilities. Our priority is to provide the same dependable equipment and service you've come to expect. We're here for you!

Pumps & Control Panels awaiting testing on Friday 4/3/20
