

In This Issue: On-Demand Webinar - OCS - Operator Control Station

EPG Sales Reps - We've got you covered!

EPG On-Demand Webinars

This Month's On-Demand Webinar

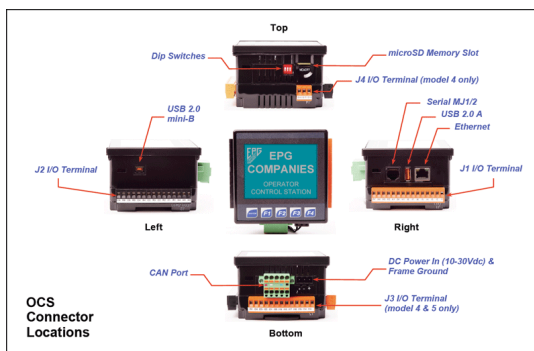

Topic: [How to Configure Your OCS](#)
Length: [15:24](#)

In this webinar we cover the EPG OCS (Operator Control Station). We highlight the ease in which you can operate and modify basic settings. We will also discuss available communications options, user notifications and security features.

[Watch Webinar](#)

EPG's Operator Control Station is a flexible, expandable controller featuring an easy-to-read touch screen display. It controls and monitors level, flow, temperature and more.

[Above: OCS Connectors in detail.](#)
