In This Issue:

On-Demand Webinar - Electric Pumps

Company News - EPG & Storm Water Filtration

EPG On-Demand Webinars

Last month we introduced the first of EPG's On-Demand Webinars and continue the series this month. See details below:

DESIGNED TO
PERFORM

Today's On-Demand Webinar:

Topic: [Electric Pumps](#)

Length: **11:08**

This video will introduce you to centrifugal pump-based pumping systems. We will provide a general overview of our electric SurePumps and demonstrate why they offer the best value on the market.

Company News

EPG Contributes to Innovative Storm Water Treatment Systems

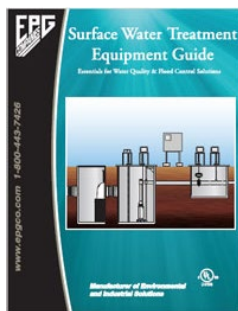

EPG has collaborated with Houston Engineering Inc. on several surface water improvement projects. In their latest newsletter, HEI published an article on an innovative **Iron-Enhanced Sand Filter System**. This system integrated EPG's Pumps & Controls to help reduce phosphorous, improving water quality of the communities watershed district. Click [HERE](#) to read the article.

Thanks to the Houston Engineering team for sharing!
