

The EPG Connection

Your Resource for Landfill, Environmental, and Industrial Solutions!

May 2021

Issue No. 130

This Memorial Day let us remember those who gave their lives courageously, and honor their sacrifice by cherishing our freedom each and every day.

VP Series Pneumatic Pumps

Imitators come and go. These pneumatic pumps are here to stay!

With corrosion resistant components, high performance float, and a fortified outer casing, the Viridian America pneumatic pump is the most durable pneumatic pump available on the market today.

Leachate Pumps & Controls

The EPG Wheeled Sump Drainer changed the game. Others are still trying to catch up!

The patented EPG SurePump Sump Drainer features a design which encourages maximum cooling by drawing liquid over the entire length of the motor. The pump end bearings are also upgraded for down-well longevity.
