Leachate Pumps & Controls

The EPG Wheeled Sump Drainer changed the game. Others are still trying to catch up!

The patented EPG SurePump Sump Drainer features a design which encourages maximum cooling by drawing liquid over the entire length of the motor. The pump end bearings are also upgraded for down-well longevity.

VP Series Pneumatic Pumps

Imitators come and go. These pneumatic pumps are here to stay!

With corrosion resistant components, high performance float, and a fortified outer casing, the Viridian America pneumatic pump is the most durable pneumatic pump available on the market today.
