Configuring Your Meters

Every EPG Pump & Control System ships with a complete O&M Manual. Operating instructions for the instrumentation is included but sometimes those documents are misplaced. Listed below are links to download manuals for EPG meters in operation today across thousands of installations.

If you need additional guidance configuring these meters call us at 1-800-443-7426 or email info@epgco.com.

CHS Series Level Meter

When it comes to leachate level monitoring, the EPG LevelMaster Liquid Level Meter has set the standard for decades. When all you need is a simple, reliable, and cost-effective solution.
